As the poets - or at least Paul McCartney - have sung, “You’d think the world would have had enough of silly love songs...” Well, we’ve looked around us, and thankfully we see it isn’t so! On March 6, OVation, the a cappella ambassador ensemble from One Voice Mixed Chorus, presents *The LOVE Show*, a warm hug of a concert that tackles the theme of love in all its many forms with humor, honesty and pride. With a repertoire that spans centuries and genres, from madrigal to traditional folk to contemporary country and pop, and featuring music from artists as varied as Mary Lambert, Edith Piaf and Pentatonix, *The LOVE Show* is a celebration of passion, longing, family, and friendship that will speak directly to your heart. Additionally, the show has some beautiful solo, duet, and smaller ensemble work, as well as pieces that challenge every member of the ensemble with fantastic, robust chords

befitting the richness of the subject matter. Whether you want to cuddle up in someone's arms or need a shoulder to cry on, *The LOVE Show* is the perfect concert, and a wonderful ticket to give to that special someone. We hope you'll come feel the love with us on March 6 and let OVation's love of music and singing together warm your heart!
